

Exam schedule

Students must find out when their exams are scheduled and write those exams at the times scheduled by the Frederick Institute of Technology. **Exam schedule is posted in the website**. The excuse of misreading the exam schedule will not be accepted.

Please note that each exam day is divided into 3 sessions:

- Morning (starting at 08:30),
- Afternoon (starting at 13:30)
- Evening (starting at 18:00–Nicosia / starting at 18:30-Limassol).

Examination Admission time:

- Candidates are responsible for presenting themselves at the examination room at the appropriate time.
- Candidates may be admitted to the examination room **up to 30 minutes** after the official start of the examination but not normally thereafter. No allowance will be made for lateness in terms of extra time at the end of the examination.

Valid student identity card

Inside the Examination Room:

- The invigilators will announce details of the seating plan once students are in the examination room.
- Students **must bring their Valid Student Identity Card** with them to the examination room and will be required to place it on the desk immediately after taking their seats. Students will be required to display their student Identity Card on the desk throughout the entire examinations. **It is the responsibility of students to replace mislaid or lost Identity Cards before examinations.** Students without their Student Identity Card will not be allowed to take the exam.

Absence from Examinations

It has been identified that an inordinately large number of students applies for a second exam (within the examination period) due to absence from the specified examination dates. It was therefore decided that **applications for re-examination will not be approved**.

In extreme cases (e.g. hospitalization, representation of Cyprus abroad), a special purpose committee will examine the relevant applications. Applications are submitted, together with supporting documents, to Office 37 in Nicosia and the Studies Office in Limassol. Applications will be accepted at most three days after the examination date for which the student did not attend.

In case the said Committee approves the application, re-examinations will take place on 14th and 15th of June for graduating students and in September for the remaining students.
